

**Government of Karnataka  
Department of Agriculture**

**CITIZEN'S CHARTER 2022-23**

## CITIZEN'S CHARTER

### Vision:

- Ensure Food Security and make Agriculture a sustainable and economically viable vocation with emphasis on small farmers and backward areas.

### Mission:

1. To achieve the targeted growth rate of 4.5% in the agriculture sector by enhancing agriculture production and productivity.
2. To evolve and implement various schemes of state and central government for improving the income level and livelihood of small, marginal and women farmers.
3. To devise and implement specific schemes for drought prone areas.
4. To offer quality educational opportunities, promote research, generate appropriate technologies to address the relevant challenges faced by agriculture and allied areas.
5. To improve human resource including all stakeholders to promote sustainable agriculture development.
6. To effectively conserve, develop and promote judicious use of natural resources in a sustainable manner.
7. To ensure proper disaster and risk management in Agriculture including climate resilient agriculture.

### Functions:

1. To undertake appropriate land use and protection, conservation measures in order to minimize erosion through watershed approach and simultaneously increase the productivity of the land and income of the farmers.
2. Improve agriculture extension services by adopting new institutional arrangements with the involvement of farmers, NGOs, organizations and agriculture universities.
3. Endeavoring for adequate and timely supply of inputs such as seeds, fertilizers, pesticides, agricultural credit and implements to farmers.
4. Enforcement of various Acts to ensure supply of quality inputs.
5. Karnataka Raitha Suraksha Pradhana Mantri Fasal Bima Yojana and Weather Based Crop Insurance Scheme (WBCIS) to provide relief to farmers in event of crop failure.
6. Assisting the central government in laying down Minimum Support Prices (MSPs) for selected key agricultural commodities to ensure remunerative prices to farmers.

7. Promotion of production and distribution of quality seeds of improved varieties and hybrids through various state and central sector schemes like RKVY, NFSM, etc,
8. Promotion of Integrated Nutrient Management (INM) and monitoring the distribution of inorganic fertilizers.
9. Promoting plant protection measures and practices through the dissemination of appropriate technologies such as Integrated Pest Management (IPM).
10. Promoting Farm mechanization to mitigate shortage of farm labour and reduce drudgery.
11. Promoting Micro irrigation to conserve water and increase area under protective irrigation.
12. Developing suitable strategies for rainfed farming through people's participation and promotion of Integrated Farming System (IFS) approach for augmenting the income level of farming communities and enhancing the nutritional value of the food grains.
13. To build a strong academic foundation for the scientific and technical man power and providing suitable technological trainings to the farming society.
14. To identify thrust areas in agriculture, which have relevance for future and initiate work so that emerging problems can be spotted and research directed towards their solution.
15. To monitor prices realized by the farmers and prices paid by the consumers in respect of all agricultural commodities by the data collected from Department of Economics and Statistics.
16. Adoption of frontier technologies.

**Note: To avail any facility from the department registration of Farmer in FRUITS (Farmers Registration and Unified Beneficiary Information System) portal is compulsory and get an unique FID.**

**For registration in FRUITS, Farmers has to submit following documents at their hobli RSK**

- a. **Personal details: Name (As per Aadhar card), Farther / Husband name, Mobile number, Caste, Caste certificate ( only for Scheduled caste & Scheduled Tribes) etc.,**
- b. **Address**
- c. **Identification cards: Voter ID / Ration Card number**
- d. **Land details: RTC / Land records**
- e. **S/B A/C Bank details: Bank name, Account number, Branch, IFSC code & MICR code**
- f. **Xerox of Aadhar card & consent letter**

**QUALITY CONTROL LABORATORIES**

Sl No.	Services /Transactions	Responsible Person	Process	Document required	Fees		
					Category	Mode	Amount
1	Seed quality testing	Assistant Director of Agriculture of Seed testing lab- Hebbal/Dharwad/Davanagere/ Gangavati	Seed Quality Analysis	Seed sample details Seed sample details and request for sampling	Service and Act Seed samples Charged seed sample		Free All test =Rs.100/- Germination Test - Rs.60/-, Moisture Test - Rs.20/-, Physical Purity Test-Rs. 20/-
2	Fertilizer quality Control.	Deputy Director of Agriculture of Fertilizer Control laboratory - Bengaluru/ Belthangadi /Dharwad/ Gangavati / Mandya / Belagavi/ Davanagere	Analysis of Fertilizer Samples drawn by Fertilizer Inspectors .as per Fertilizer Control Order 1985	Fertilizer Sample details in Form P & K of FCO-1985	Not applicable	Not applicable	Not applicable
3	Bio-Fertilizer & Organic Fertilizer quality Control.	Assistant Director of Agriculture of Bio-Fertilizer & Organic Fertilizer quality Control Laboratory- Bengaluru, Dharwad & Kalburgi	Analysis of Bio and organic Fertilizer Samples drawn by Fertilizer Inspectors .as per Fertilizer	Bio and Organic Fertilizer Sample details in Form P & K of FCO 1985	Not applicable	Not applicable	Not applicable

			Control Order 1985
